

JORGE CANALE

Date of Birth: 02/23/1948

Nationality: Argentinean

Since 1973, architect Jorge Canale develops his professional activity as a designer in the business image and communications field whose study is among the most experienced in the area in Argentina (www.estudiocanale.com.ar). He is a member of the Central Architects Association (SCA), and the American Institute of Graphic Art (AIGA).

Many of his works and writings have been published in national and international specialized media, such as the Swiss Graphis Annual, the Japanese Idea, and the English Modern Publicity, among others. He has taken part in conferences as a speaker, and he has staged periodic exhibitions on his activity. (Art and Communications Centre - CAYC, Ruth Benzacar Gallery, and Julia Lublin Gallery). His Works were exhibited at the Buenos Aires Modern Art Museum, Modern Art Museum of Rio de Janeiro, the VIII and X Brno (ex Czechoslovakia) Biennials of Graphic Arts, the American Graphic Arts Biennial of Colombia, the *Diseño 81* International Exhibition of Helsinki (Finland), the Latin American Industrial Design Exhibition, and the '84 Critics Seminar of the International Association of Art Critics, among others.
